THE ANNALS INDEX VOLUME 36

Honggen Xiao
Hong Kong Polytechnic University, China

This volume contains twenty-nine main articles, eight research notes, two commentaries, and twenty-four book reviews, with a total of 110 author appearances. As a reflection of these contributions to the vista of knowledge of *Annals*, this volume both maintains and expands the journal's comprehensive subject index available at <www.elsevier.com/locate/annals>. Five new subjects were introduced: Discourse; Humor; Power; Slavery; and Stamp. The expansion of knowledge on existing subjects encompasses the following: Knowledge, sociology of; Representation, politics of; Social, tourism; Theory, neoliberalism, self determination, and social memory; and Tour, virtual. As a geographical region, "Nordic" was introduced under "Europe".
